

## BIOGRAPHICAL SKETCH

### **Richard A. Woldt CPP, CFE, Private Detective, ACFEI Homeland Security Level III**

Rich Woldt formed "The Risk Management Learning Center" and "Risk Management 007 LLC" after retiring in June of 2001 from CUNA Mutual Group's Risk Management Department. Building on 30 years of "Credit Union Risk Management" experience, Rich continues to touch credit unions around the world through chapter circuits, league seminars, CUNA schools and the World Council of Credit Unions, Inc.'s international forums, not to mention his articles, brochures, workshops, on-site training and risk analysis.

Rich has a BBA in Risk Management from the University of Wisconsin, experience in law enforcement, he's a Viet Nam Vet and currently Chaplain for VFW Post #8337. Rich is a Certified Protection Professional (CPP) awarded by the American Society of Industrial Security International. He's also a Certified Fraud Examiner (CFE) and a licensed Private Detective. Recent accomplishments include being certified as a Level III Homeland Security instructor by the American College of Forensic Examiners International (ACFEI). Level III is the highest Homeland Security certification currently offered through ACFEI.

His passion is to promote Risk Management principles that are consistent with the credit union philosophy of "People Helping People - Not for Profit, Not for Charity, but for Service".

His focus is on risks that threaten life safety, the quality of life, and the loss of property through robbery, terrorism, bomb threats, violence-in-the-workplace, burglary, fraud, scams, forgery, and embezzlement. He's always ready to discuss any risk of interest to his audience.

Rich says, "My mission is to ensure a safe, secure, healthy, and happy credit union work environment for credit union employees and position your credit union to recover when a disaster strikes."

His heroes include Friedrich Wilhelm Raiffeisen; founder of the credit union movement (1849) and Edward A. Filene, who brought the credit union movement to the USA. His hobbies include Alpine skiing in the winter and riding his Harley in the summer.
